We Hear You
We’ve listened. We’ve acted. We’ve responded.

This is what you said...
1. You wanted to login to your library account with your normal BGU credentials
2. WorldCat could be improved
3. You wanted to know more about using the Library
4. You wanted more books in the Library
5. You wanted reading lists to be easier to use and more accessible

This is what we did...
1. We’ve been working on this over the summer and now you can
2. Over the summer we’ve upgraded WorldCat with a brand new look and new functionality
3. We’ve produced a new ‘What to Expect’ guide all about this
4. We purchased 5,065 new books in 2017/18
5. BGU is implementing a new online reading list system over the next 2 years

Have your say – look out for Survey Week coming early 2018.
