Library Induction

This page provides you all the materials you need to complete your postgraduate library induction for non-education related subjects.

If you are a student new to BGU:

1. Watch the first three videos listed below: "An Introduction to the Library service", "The Library and Covid-19" and "My Reading". If you have time and would like information about advanced searching you can also watch the video at the bottom of the page.

If you have studied at BGU before:

2. You may like to skip “An introduction to the Library” (this should cover material you are already familiar with), and watch the advanced searching video instead. You will still need to watch the Covid-19 video and the My Reading video
